ABOUT CICA'S MISSION

CICA represents and speaks for the construction industry on technical, legal and political matters of international concern and provides a forum for fellowship, cooperation and interaction with member federations and linked institutions.

WHY JOIN US

CICA promotes investments in engineering and building that enhance both our environment and the quality of life for all.

CICA encourages the exchange of experiences, information and technical knowledge.

Our Expertise

Be directly informed of new developments of the Construction Industry worldwide and obtain the latest intelligence and private sector perspectives on key global policy issues for world construction business.

Our Network

Develop your own network with key players and have opportunities to participate in key CICA Events and Missions with international financial institutions like the World Bank, the International Monetary Fund but also to the B20 Summits, United Nations and OECD Events, African Development Bank, Asian Development Bank, including FIDIC, DRBF, ICC, UNECE etc.

Our Influence

Be part of a unique worldwide forum of Corporate Construction Experts, where global business collectively provides input into intergovernmental discussions and negotiations.

Broaden the reach of your organisation's policy advocacy, strengthen your international influence at worldwide top level and influence CICA's actions.

CICA President Emre Aykar – along with FIEC President Johan Willemen – signed a common statement during Buildings Day at COP 21 in Paris on December 3rd, 2015

ABOUT CICA'S BENEFITS

Being part of a unique worldwide forum, Members of CICA can attend CICA Council Meetings and will be encouraged to participate in specific CICA contacts with leading representatives of International Financial Institutions, of the United Nations, special government agencies, and more.

WORKING GROUPS

CICA's working groups gather multidisciplinary international experts from construction companies to discuss specific topics and issues. CICA regularly invites guests to participate to its works and make presentations on a particular subject be it through informal exchanges or on the occasion of round tables.

“

Being part of CICA is an inspiring, interesting and executive experience that leads you to discover, the challenging new world of construction from above, sharing deep views of the future among top leaders from around the world. ”
